

Give the gift of choice this Christmas – the world over!

Experience Gift Certificates

By the time Christmas is over many will covet another holiday to recover from the intricacies of time spent with extended family. Fittingly, SLH has on offer; the Experience Gift Certificates, offering customers the chance to give one, two or three night stays at a selection of city sanctuary, country retreat or resort hotels from two price point options and three currencies (Pounds Sterling, Euros and US Dollars). This offers lucky recipients the chance to pick from a variety of properties at a time and place that is best for them.

For a more personal gift, opt for themed experience certificates available from SLH, dedicated to Gourmet Experiences and Spa Getaways. Each Experience Gift Certificate is also available in two price bands, allowing for ultimate choice when picking the perfect gift. Give a gift that will have them looking forward to their next holiday when they can truly relax and unwind.

For the foodie in your family, try the tantalising ***Gourmet Experience*** certificate for two which includes two nights' luxury accommodation, breakfast and one night of gourmet dining with rates starting from £620. For example try the gourmet experience at [The Balé](#) in Bali, Indonesia which also includes a candle-light dinner for two in a private villa prepared by the Executive Chef, a visit to a traditional Indonesian market followed by a cooking lesson to really get all gourmet-lovers' juices flowing!
